Dear Steve,

The totals are in and we raised \$42,000 on our two "Evening with Harley-Davidson" events in both Spokane and Richland. Both events were truly amazing and would not have been so successful if it was not for KXLY's help. Lucinda and Mark were both sensational! In fact, KXLY as a whole has always been a fabulous supporter of the Muscular Dystrophy Association and MDA could not be more thrilled with our partnership. With Lucinda and Mark's touch on both of these events, we have been able to evaluate ourselves to "elite event club"! Thank you for the sensational job you and your team always achieves and thank you for helping to make both of our events fabulous!

I want you to know that the money raised is going to go a long way in helping our area families who live daily with the devastating effects of muscle disease. In eastern Washington, northern Idaho, and northeastern Oregon we have hundreds of patients who depend on our success to keep providing them with 'help and hope'. Success is what you helped us achieve and it will net a lot of 'magic' for our families! I cannot thank you enough for everything you do for MDA and the families we serve!

Sincerely Yours

Chris,

Thanks so much for sharing this with me. It seemed like such a little thing that I was able to do, but I'm glad Robyn enjoyed it, and thrilled that it inspired Gabrielle.

I'm happy to help as always with Big Brothers/Big Sisters!

Have a great week,
Susanna

Hi Susanna,

I hope you are doing well!

I wanted to send you a very special thank you for having Little Sister Gabrielle and her Big Sister Robyn visit KXLY! I just learned of this and wanted to tell you how much they enjoyed their visit.

As Program Director, I review the caseworker's case supervision notes periodically. One of the questions we ask our Bigs and Littles when we meet with them annually in-person is, "What was the most fun?" Gabrielle's answer was, "Going to the news station with Robyn!" and Robyn's answer was, "Going to KXLY--Susanna Baylon was wonderful!" Each were asked these questions separately about a month apart--and this question summarizes their most fun activity during the last year.

It was so kind of you to take time out of your very busy schedule to provide a "once in a lifetime" opportunity for Gabrielle and Robyn. They will always treasure this experience as one of their favorite memories together.

Thank you, Susanna, for caring in such a special way!

Warmest wishes,

Chris

Hi there, just wanted to thank you, for myself and the Mt. Musicians, for the GREAT TIME we had on KXLY this morning. And you play beautifully, I love someone doing harmony when I play melody, there are not too many 'twin fiddlers' that play out there anymore.

Dear Teddie:

On behalf of all of us at the Northwest Museum of Arts & Culture, I would like to thank KXLY for its generous donation to:

Spokane Timeline: Personal Voices!

Eighty-five years ago, the Eastern Washington State Historical Society began a history of service to our region. Enriching the lives of individual visitors, serving as an international resource and as a catalyst for growth in our developing community, the Northwest Museum of Arts & Culture has achieved its strength, influence and high visibility largely through the vital backing of dedicated donors. We are pleased to be working hand in hand with you on the attraction and cultural influence it adds to our region.

We appreciate your understanding of the invaluable contribution cultural amenities make to the overall health of a community. On behalf of our community, the Board of Trustees, and the staff at the Northwest Museum of Arts & Culture, I ask you to accept our sincere gratitude for the active role you play in supporting this important institution.

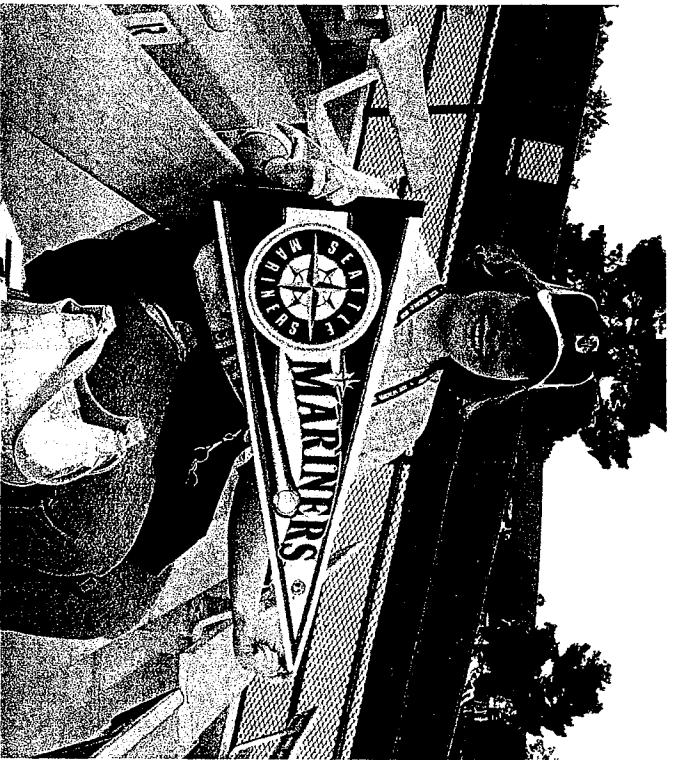

Sincerely,

THANK YOU!!!

Steve,

My best friend had a blast! It was a great time for me too, just watching her enjoy seeing her favorite team, in person, for the first time. The weather was great, and the Mariners WON!

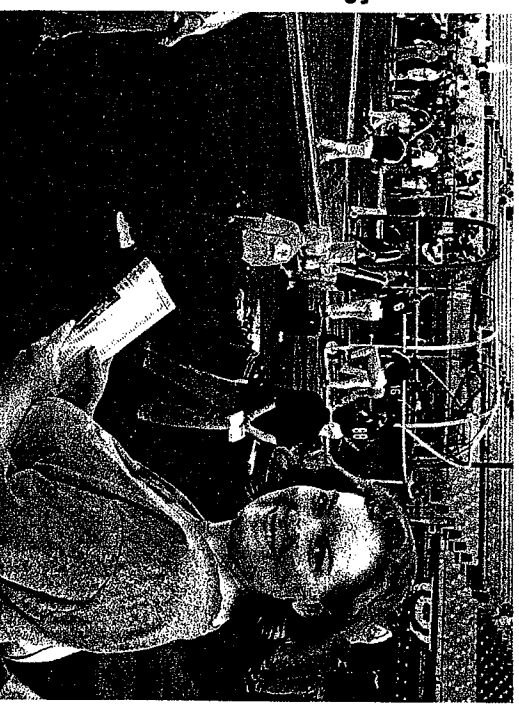

I did want to thank you for everything you did to get us tickets. They were sold out before we even knew they were coming and we couldn't afford the \$100+ the scalpers wanted. It was a wonderful distraction from a very long and difficult week with junior high students (we both teach 7th grade). You were a God-send and we can't say thank you enough.

Thank you so much!! We are very grateful!

RE: Very excellent coverage on the Weather Show, April 14, 2005

Dear Mr. Herling:

On behalf of Colburn's "811" Gallery, East 811 Sprague Avenue, and also speaking for myself as the currently displayed artist, I wanted to write and tell you how wonderful both Shaun Stevens, your Meteorologist, and his cameraman, Dan, were the other morning.

Mr. Stevens had seen my cloudscape paintings and wanted to do the morning weather show in our Gallery. He and Dan showed up right on time, were very pleasant and cheerful (despite the very early morning hour!) and put both me and the Gallery owner, Mary Cordes, right at ease immediately. I was pretty scared of being on TV, but he was so "down-to-earth" and friendly that he overcame my stage fright completely!

Further, both gentlemen demonstrated a sincere interest in our gallery and frame shop (the oldest one in Spokane--we have been continuously in business since the early forties!) and Mr. Stevens even wanted to "learn how to frame a picture"! They were just great!

Ever since that day, I have had many, many comments about the very professional way that my art show and our framing shop was presented on Channel 4. I did write Shaun and Dan each a "Thank-You" and take cookies to the Station, but I also wanted to be sure that you were aware of how pleased we were with both gentlemen, and of how many comments we have received since. I'm going to enclose copies of this letter, so they can go into both of their employee files. (as a former manager myself in a large outfit, I know how important that is!)

Thank you very much!

Dear Laura,

On behalf of Big Brothers Big Sisters of the Inland Northwest, thank you for your generous in-kind gift of two t-shirts from Classy 99.9FM. Our matches enjoyed the opportunity to win these shirts as prizes at our 2005 Annual Picnic, compliments of KXLY Broadcast Group! We truly appreciate your donation that provided a great prize for our Bigs & Littles.

BBBS has been the nation's preeminent youth-service organization for nearly a century. Our service is based on our volunteers. We have a proven success in creating and nurturing relationships between adults and children. Big Brothers and Big Sisters are, foremost, friends to children; they share everyday activities, expand horizons, and experience the joy in even the simplest events. Within those little moments lies the big magic that a Big Brother or Big Sister brings to the life of a young person.

Professionals in youth development support these individual, responsible relationships. Youth development experts agree that, in addition to their parents, children need additional supportive, caring adults in their lives. BBBS works closely with parents to match every child with the right Big Brother or Big Sister. Each potential Big is screened, trained, and supervised to help ensure that the relationship will be safe and rewarding for everyone involved.

Thank you again for your gift in support of our Big Brothers and Big Sisters.

Sincerely,

Brusan Wells

Dear Kirstin:

The dream of keeping the legacy alive has come true. Because of your participation and that of hundreds of other community volunteers, the bronze memorial statue of Lt. Col. Michael P. Anderson resides in Spokane's Riverfront Park as a proud tribute to our local hero.

Since he was a small child, Michael Anderson dreamed of flying. He treasured a model plane given him by his dad and charted his future course in space exploration during numerous family excursions to Fairchild Air Force Base. Family and faith were Michael's foundations throughout his life – the same pillars upon which our community bases its values, hopes and dreams. Michael's dreams came true through hard work, dedication and a commitment to achievement. He tirelessly talked about those same qualities to every child he spoke with during his many school and community presentations both in the Inland Northwest and around the country.

We greatly appreciate your efforts on behalf of the campaign. We came together to honor a man who realized his dreams, and your involvement has made it possible for generations of children to come to be inspired by his commitment to family, faith and country. Dreams really do come true!

Gift: \$1,000.00, 07/12/2005, 1/5 sponsorship, credited to Friends Bear Art Fundraiser

Dear Friends:

You are special to the families and children of the Ronald McDonald House Charities of Spokane. Your gift of \$1,000.00 allows us to continue the vital mission of "the House That Love Built."

Your support gives families with critically ill or injured children a place to stay so they can be together when the need is the greatest. Imagine having a premature baby that came into the world weighing less than 2 pounds. We've opened the doors of our "home away from home" to three such mothers so far this year. They count their victories in grams and ounces as they pray their baby will grow big enough and strong enough to someday go home with them.

With their faith, courage and the emotional support of other families staying at the House these mothers are an inspiration to us all.

At our House we also see families facing their child's cancer, heart disease, head injuries, birth defects or other major medical trauma. We at the Ronald McDonald House have the honor of accompanying these families through their healing process. An average stay at the House is 12 days. Some families stay as long as six months and others as little as three to four days.

Unfortunately, our House runs at 100% occupancy with waiting lists of up to 12 families. Your gift also helps us serve more families through new programs like our Ronald McDonald Family Rooms at Sacred Heart Children's Hospital.

Again, thanks for your support. Please keep our families and staff in your thoughts and prayers.

Sincerely,

Michael L Forness

Dear Mr. Herling,

On behalf of the Spokane AIDS Network (SAN) Staff and Board, I would like to thank KXLY- TV and Radio for your commitment and support to vital social community issues such as HIV/AIDS. We are so very grateful for the continuing support of Debra Wilde and Mark Peterson for the superb job that they do with The Oscar Night Gala for SAN. Most recently Travis Mayfield and Lucinda Kay did a fine job with our first Stem and Stein event for our 20 years in the community.

We have also had the pleasure of working with Tanya Tyler, Brooke Fay, Theresa and Rick Lukens Bud Nameck, and many of your other staff. They represent KXLY with sensitivity and professionalism. You most certainly had a talented and committed staff and we as a community definitely benefit.

As you are aware, there is still stigma and discrimination attached to the disease. People aren't aware of the comprehensive services that SAN provides unless they need to access assistance. I am a firm believer that the more accurate information the public has about HIV/AIDS the closer we might come one day to eradicate the discrimination.

We appreciate all of you for your efforts in being responsive to community awareness and education.

We all look forward to continuing and enhancing our partnership as we become a more accepting and stronger community.

With warmest regards,

Susan Fabrikant
Executive Director

We help children's wishes come true.

Greetings Mark:

The Wishing Star Foundation would like to thank you for your very generous contribution of time and energy for Road to Wishes. Your assistance in placing this event and the mission of Wishing Star in front of a huge audience was immeasurable. We look forward to working with you in the future.

Over \$15,000 was earned from the 110 mile which turned into a 150 mile ride. We are very appreciative of Lydig Construction, Black Rock Development, Red Lion Inn at the Park, Shumate Harley Davidson, Integrus, and The Shop for their hard work on this event as well.

Wishing Star is celebrating 22 years of granting wishes for children in our region- Idaho and Central & Eastern Washington. We are in the process of granting our 952nd wish.

We believe that our "special medicine" helps the children who are struggling with their illnesses. What puts a smile on our face is knowing that 80% of our wish children are still with us! We believe that sometimes the best medicine of all is making a wish come true.

Best Regards,

Paula Nordgaarden
